Case # 1:18-cv-01134-7CN

Magistrate Judge: William H. Baughman
Judge: Donald C. Ruggent Local Rule 72.2

motion to proceed pro se.

Your honorable judge, I Jim t. Glover 752-050 would like to actively pursue my case # 1:18-cv-01134 pro se. I have talked with your honorable self, on 7-26-19 via phone conversation, (phone conference). I had asked you for an chance to receive active counsel and amended complaint. You stayed my case until I receive counsel, either thru my own efforts or thru court pro bono counsel. It seems to me that the court can not provide and lawyer, nor neither could I retain any counsel thru my own resources. My case has been stayed for over 90 days. Prompting me to address the court to return my case # 1:18-cv-01134 to the courts docket as soon as convenient to court. To proceed pro se. This Plaintiff thanks this honorable court in its entirety.
